SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

In compliance with the duty of disclosure under 37 C.F.R. § 1.56, it is respectfully requested that this Supplemental Information Disclosure Statement be entered and the documents listed on attached Form PTO-1449 be considered by the Examiner and made of record in the present case. Copies of the listed documents required by 37 C.F.R. § 1.98(a)(2) are enclosed for the convenience of the Examiner.

In accordance with 37 C.F.R. §§ 1.97(g),(h), this Supplemental Information Disclosure Statement is not to be construed as a representation that a search has been made, and is not to be construed to be an admission that the information cited is, or is considered to be, material to patentability as defined in 37 C.F.R. § 1.56(b).

A first Official Action reflecting examination on the merits has been received in the present application. However, this Supplemental Information Disclosure Statement is being filed prior to the mailing of a final Official Action, notice of allowance or an Action that closes prosecution, and is timely filed in accordance with 37 C.F.R. § 1.97(c).

The items of information contained in this Supplemental Information Disclosure Statement were cited in the European counterpart to U.S. Application Serial No. 09/787,840, filed July 06, 2001, which is a nationalization of PCT application No. PCT/AU99/00812, which claims priority to Australian provisional patent application No. PP6165, filed on 25 September 1998. U.S. Application Serial No. 09/787,840 is referred to in the present specification. The items of information from the European counterpart have also been disclosed in U.S. Application Serial No. 09/787,840, which is being handled by the same examiner. It is therefore believed that the examiner is already aware of the presently disclosed information.

Nonetheless, should a fee be required to enter and consider this Supplemental Information Disclosure Statement under 37 C.F.R. § 1.97(c), such a fee, and any other fees deemed necessary, should be deducted from Williams, Morgan & Amerson Deposit Account No. 50-0786/4050.001200.

Respectfully submitted
